Town Of Ogunquit - Comprehensive Planning Survey - Final

1	The Select Board must be replaced if we hope to restore respect and trust to the town of Ogunquit.	3/15/2017 3:10 PM
2	bring sand in to increase beach	3/12/2017 11:59 AM
3	Have more cops on the beach in "Smoky the Bear" uniforms, enforce no smoking rules and be nicer to our guests	3/7/2017 8:48 AM
4	khios machines for parking lots	2/27/2017 1:44 PM
5	Limit new lodging/hotels/motels in such a tiny town;	2/25/2017 1:13 PM
6	Light pollution. Commercial exterior lighting is unsatisfactory. Excessive and ruins the natural beauty of our town.	2/24/2017 10:32 AM
7	I was concerned about the clam flats being closed because of pollution	2/22/2017 8:30 PM
8	Against the trolly charing for babies or children who sit on an adult's lap.	2/22/2017 9:06 AM
9	Marginal Way looks awful with what has been done in last few years. The latest project was completely unnecessary and looks awful.	2/22/2017 7:48 AM
10	If you are trying to protect ogunquits "NATURAL" environment then what is happening to our beautiful marginal way and all of the horrible things that have occurred over the past few years. The focus needs to be on letting these people who are making these choices go and finding people who appreciate the beauty, natural, original feel of ogunquit that people fall in love with. Not making our community become a contender with Salisbury and Hampton Beach. Look at your options for parking, a high rise. Take a look back at what ogunquit was and still is before it is to late.	2/21/2017 9:40 PM
11	Marginal Way is already beautiful; it doesn't need more "upgrades"/buildups that detract from the view of the ocean;	2/21/2017 6:48 PM
12	need to do more to protect the natural environment. The town needs more open spaces and parks.	2/21/2017 2:44 PM
13	In dealing with the town's businesses--especially the smaller ones, town boards often loose sight of the fact that 1st and foremost we are a summer beach community and the tourists that come here and the businesses that serve them are the lifeblood of the town.	2/21/2017 2:05 PM
14	the marginal way has become so ugly and commercialized ...need to plant more bushes and stop trying to make it look like a gravel pit and a walk way in new jersey,,get rid of the blue money box in perkins cove, get rid of all of the plaques, and make it the first benches at all entrances handicapped accessible, put back all rose bushes near light house, little beaches, stop making it commercialized...it is becoming a disgrace!!!! also, we don't need to have a camera on light house....enough is enough!!!	2/21/2017 8:45 AM
15	more "physical" Police presence in Summer/ stricter building and conservation laws/ more visible accountability from all Town Boards and committees - too many more to mention	2/21/2017 7:47 AM
16	Better enforcement and compliance with Planning Board	2/20/2017 9:37 AM
17	crosswalk zones in town need to be more obvious - lights, solar on the street - it's very difficult in summer to see at night and tourists just don't pay attention to crossing; we need a more regulated way to get traffic through town in summer while maintaining pedestrian access	2/20/2017 7:09 AM
18	Well I havn't heard of any actions	2/17/2017 11:24 AM
19	need more scooter/bike parking; bike lane	2/17/2017 6:38 AM
20	I do not want a town that has too many restrictions on what one can do on their own land.	2/16/2017 12:21 PM
21	Drop the price of trolley fee and increase use of trolleys to reduce congestion.	2/13/2017 3:20 PM
22	Educate public about NOT FEEDING THE SEAGULLS	2/10/2017 12:05 PM
23	More summer personal to enforce regulations on the beaches.	2/10/2017 9:49 AM
24	None	2/9/2017 9:02 PM
25	the York news has little about ogunquit---we need a better new source	2/8/2017 8:24 PM
26	Communication to residents	2/8/2017 6:24 PM
27	ORA should not get special consideration	2/8/2017 3:17 PM
28	We really need to protect the beach & natural environment in our beautiful town. It is why most of us live here. We need to encourage residents & visitors alike to move about our community in the least harmful to the natural environment way possible. Walking & bicycling come to mind and are the least harmful ways to get from one part of town the another. Please help make it possible for citizens & visitors alike to bike & walk safely in Ogunquit.	2/8/2017 2:05 PM
29	ORA should not get special consideration because they do not represent 200 people	2/8/2017 11:49 AM
30	NO Dogs on beach from April 1st through Oct.15	2/7/2017 4:33 PM

Town Of Ogunquit - Comprehensive Planning Survey - Final

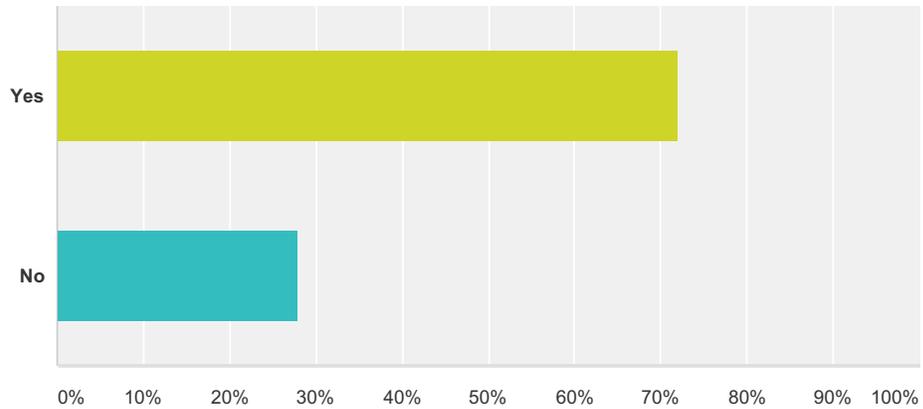

31	The Trolleys are not environmentally friendly. they may think of going electric or natural gas for fuel consumption..they are a big source of polluting the air	2/7/2017 4:03 PM
32	After 66 years here the town is doing just fine. We should govern like we direct traffic down town.	2/7/2017 3:13 PM
33	Too much commercial development in too small an area. More restrictions needed.	2/7/2017 2:54 PM
34	Elimination of Type 3 Restaurants in the LBD	2/7/2017 2:51 PM
35	Stop the Marginal Way Committee from DESTROYING the rocky shoreline	2/7/2017 2:40 PM
36	During July and the first two weeks of August Ogunquit has extreme congestion issues. I would not like to see rules enacted that addresses a six week period affecting the other 46 weeks of the year.	2/7/2017 12:21 PM
37	we need a town room tax as in many tourist destinations	2/6/2017 6:22 PM
38	allow dogs on beach more time esp for taxpayers	2/6/2017 5:46 PM
39	Too many hotels, tourists and traffic.	2/6/2017 5:10 PM
40	Ogt needs to stop taking cash at town owned parking lots	2/6/2017 4:42 PM
41	Trolleys and cars drive dangerously fast all over town without enforcement. Many dog owners aren't cleaning up after their dogs. Some members of the boards are not qualified to hold these positions. They do not seem to know the code. Building permits have been issued even though they are clearly in violation of the code and the ordinances that have been passed.	2/6/2017 4:12 PM
42	dog ordinance npt enforced	2/6/2017 4:01 PM
43	Need to make all of Ogunquit NON- SMOKING. Dogs should be allowed on beaches in morning and evening like Wells and York... throughout the summer- even if it is just allowed on a portion of the beach.	2/6/2017 2:02 PM
44	Shore Road needs sidewalks on both sides of the road. Town only cares about Main Street beautification.	2/6/2017 10:55 AM
45	I often see dogs running & playing in the Ogunquit River during the summer.	2/5/2017 1:14 PM
46	none	2/5/2017 12:09 PM
47	allow residents to have dogs on beach year round, limiting hours during seaso, possibly before 8 am and after 5 pm....	2/4/2017 8:19 PM
48	Trolley service is too infrequent. Need more trolleys, which help eliminate car traffic. Consider a trolley stop up Berwick, near the dog park.	2/4/2017 3:42 PM
49	more frequent cleaning of bathrooms in summer is needed; unsatisfied with traffic congestion backing up on rte 1	2/4/2017 11:02 AM
50	need to balance Private Property rights with town interests. Seasonal owners are not the enemy but we feel like we are.	2/4/2017 10:14 AM

52	It would be great if variances would be easier for certain setbacks.	2/3/2017 7:50 PM
53	We need better "no parking" enforcement on the streets; we need to add all residential streets to "no parking"	2/3/2017 4:50 PM
54	Do not approve of ogt resident political action group meeting in Town facilities .	2/3/2017 11:37 AM
55	disgusted with marginal way, it's looking so commercial and not natural. The planned landscape, the black fences, the rocks brought in near light house towards cove are horrible. I have been a seasonal resident sine 1961 and I work in Ogunquit year round since 1999 and I have never seen a need for those rocks to be put there. What a waste of time, money. Please bring back the natural look of the marginal way. it's getting to look like a Disney Property walk!!! The commitee should be ashamed of their decisions in the used of the metals, rock, plants and mulch. Mulch on the Marginal way...come on!	2/3/2017 11:11 AM
56	Too much trash left on beach , Beaches overcrowded	2/3/2017 9:36 AM
57	Expand access to Marginal Way and Beach for dogs	2/3/2017 7:48 AM
58	Snow plowing for all residents. Very unfair for those of us who pay taxes. Exclusive snow plow club members.	2/2/2017 6:39 PM
59	get more input from all tax payers	2/2/2017 4:52 PM
60	Happy with police dept. but they need improved, healthy spaces. Totally disgusted with the handling of the Town Manager issue and lack of transparency provided to residents and tax payers. Shame on the Select Board.	2/2/2017 2:44 PM
61	We need to charge a drop off fee to our beaches	2/2/2017 2:01 PM

76	more town hall staff; more attention to conservation; cheaper trolley & more of them; recycling bins around town	1/30/2017 11:44 AM
77	We should have dogs on the beach year round early and late in the day.	1/30/2017 11:43 AM
78	Enforce the no smoking ordinance. Allow dogs beach more	1/30/2017 8:41 AM
79	Foot Bridge bathrooms are totally unsatisfactory	1/29/2017 5:26 PM
80	The police department is tops -they are always helping us and it is tremendous	1/29/2017 1:51 PM
81	Smoking and Dune ordinances could be more aggressively enforced. I find myself having to tell people to stay off the dunes. Planning Board...it seems like some people get to do whatever they want, or often people get permits to do something, do something else and then have little or no ramification to having violated what was allowed.	1/29/2017 1:36 PM
82	Dogs should be permitted on beaches year round in off-hours	1/29/2017 10:49 AM
83	Would like to continue with no dogs on beach or marginal way during season. Would like to continue the no piling rocks on Marginal Way. DO NOT WANT A JETTY . Not happy with Marginal way projects.	1/28/2017 6:43 PM
84	Ogunquit should not fall victim to extreme rapid progress, particularly in social media technology, and should keep the charm and small town character.	1/28/2017 5:59 PM

1	7. green space is not utilized 4. moratorium on commercial development . 5 community wants smaller, market priced housing within walking distance of village. 3. no new chamber of commerce events. 9 this should be supplied by business community and does not have to be in the middle of town. 2 Essential for Ogunquit	3/15/2017 3:23 PM
2	The most urgent issue for Ogunquit is to work toward regaining the respect and confidence of residents by replacing the Select Board with members that will truly work toward the best interests of the community. Members that will be independent of influence and promote civility on the Board and in all of their interactions in town. This Board is a mess and unless we make changes now none of these other issues have a chance of being addressed honestly and without bias.	3/14/2017 3:17 PM
3	none	3/13/2017 10:01 AM
4	It's too late to manage the increase in tourism. That horse is out of the barn.	3/7/2017 9:01 AM
5	Beach and Tourism are #1. We should not restrict the freedom of anyone from renting their homes.	3/5/2017 9:38 PM
6	Police down town	3/1/2017 4:14 AM
7	The Playhouse needs to be expanded and better promoted. It is why we first came to Ogunquit 45 years ago and, in many ways, why we are still coming. It is so good for the community, especially the other businesses and the younger people who have so very few affordable and truly quality cultural opportunities. The Playhouse and the beach are Ogunquit's "brand". Let's do much more to promote and preserve both !	2/28/2017 6:20 PM

17	Beautify the center of town.	2/22/2017 5:38 AM
18	Drones should not be allowed. If signs are posted about not being able to build rock sculptures for children and families to enjoy then drones should not be allowed to fly over houses, beaches or hotels.	2/21/2017 9:50 PM
19	Priority given to maintaining the charm and beaches of Ogunquit. Increase police patrol of the beaches to curb public drinking and smoking.	2/21/2017 8:57 PM
20	No detail	2/21/2017 4:29 PM
21	limit the junk tee shirt shops, no more parking, start to manage the amount of tourists.	2/21/2017 2:36 PM
22	purchase and preserve open green spaces. Work with Mt A to the Sea program to create hiking trail from ocean to the top of Mt A.	2/21/2017 2:24 PM
23	The other would actually be number 1, keep the beautiful Marginal Way Beautiful and not Commercialized. Ogunquit is a very special place...there are enough people visiting each year...there need to be controls in place,	2/21/2017 8:56 AM
24	Too many of these issues, and others, are equally important and can't be ranked separately.	2/21/2017 8:03 AM

30	OGT has got to stop fighting over the use of short term rentals. Tourism sustains the town and the increased ability to house more tourists that home rentals offers benefits all businesses in town. I am disgusted with the politics being played with regard to local b and b and motel/hotel owners playing their hand in regulating short term rentals. If there are certain homes/townhomes that continually have problematic renters, fine the owners. Money talks. Do not penalize all the rest of the owners who bring pleasant, revenue-adding visitors to our town.	2/16/2017 10:40 PM
31	Keep relevant to the year round residents and keep the atmosphere of a sea side village versus all about tourists & merchants	2/16/2017 12:33 PM
32	Main Beach extra lot should be reserved for residents only and the main lot should be allowed to be used as well.	2/16/2017 3:55 AM
33	Management of any increase in tourism levels = Ogunquit can't handle any more tourists	2/15/2017 1:05 PM

35	Eliminate crooks from the town hall.	2/15/2017 6:54 AM
36	Trash pickup service would greatly reduce trips on Rt. 1 and Berwick Rd. to the Transfer Station. Benefits would include reduced traffic and vehicle emissions.	2/14/2017 1:36 PM
37	No drones	2/14/2017 11:07 AM
38	The air quality in York County - particularly on the Rte 1 corridor - is currently rated poor. Congestion, delivery trucks that don't shut off their engines on Main Street, stalled traffic, is just unhealthy. I encourage anything that will help alleviate the continued pollution of the air in Ogt.	2/13/2017 11:28 AM
39	Protecting the beach and the environment should be of utmost environment because that is what brings the tourists and the homeowners, revenues. That means protecting the town's infrastructure and charm as well. Would not support more government intervention. Improve trolley frequency and balance so it is more efficient and tourist don't require their cars. Also, allow inflatables and boards on trolleys to encourage young families to ride.	2/13/2017 8:59 AM

88	The public restrooms in Ogunquite (at the beach, Perkins Cove and by the fire station) are an embarrassment. Take a look at York's, ours are old, seedy, and a complete embarrassment for the town. They need to be gutted and redone.	2/3/2017 7:13 AM

93	housing should not be a town problem other than code enforcement and there is no real architectural charm in any Ogunquit housing.	2/2/2017 4:52 PM
94	This community enjoys a lower tax rate due to the revenues the tourism industry brings in. Managing quality of life for those who live here year round and maintaining or developing spaces to enjoy should be a focus. 97	Ogunquit is a tourist town. then let's put our money and efforts toward those areas. Sr. and affordable housing is not where I want the town focusing it's efforts on. Tourism is our lifeline and should be our sole focus. Do not become a Old Orchid, Hampton or Salisbury!	2/2/2017 1:56 PM

116	Limit rentals	1/30/2017 8:32 PM
117	Traffic is a big problem. You cant limit how many people come here this is not disney. Ive heard that talked about before.... The Trolley service needs to improve people wait so long for it. The town should allow overnight parking at least somewhere. That would cut down traffic alot and keep drunks from driving. The other problem is for the town no included in this part in cell phone service. Maybe allow big company's to put a tower up on berwick road something needs to be done with that. Totally with emergency purposes.	1/30/2017 3:31 PM
118	The town and the people (especially the retirees who have moved here), must recognize and have part of a charter, that Ogunquit has been a tourist area since the late 1800's. It began with artists. It followed with more artists. It followed with visitors enjoying the eclectic persona as well as the beauty of its nature. OGT, cannot and must not, tailor its future into a lack of vitality, creativity and all art forms. Ogt must create a mission statement that would drive and reinvigorate the former vitality. There is not a Mission Statement for the town. There is only a Mission Statement for the Police Department (which also needs to be read to the employees of that dept). I would encourage a Survey of the town's people asking for their input for creating a Mission Statement. That would be more beneficial in an evaluation for Comprehensive Town Planning Survey. The Mission Statement should drive the survey questions.	1/30/2017 1:34 PM

135	Traffic is the number one problem in Ogunquit. A rotary as you come into town would help avoid the mile back-up and would not alter the character and charm of the town. Town Of Ogunquit - Comprehensive Planning Survey - Final

142	I feel somewhat uncomfortable ranking many of the above options, because the meaning of some of them is unclear. When I see "traffic and parking management" I'm not sure if you are talking about adding parking lots (good idea) or taking beach stickers away from residents (BAD idea) or resident only parking spaces in the center (RIDICULOUS idea). Maintaining a clean and healthy beach? ABSOLUTELY important...but people interpret that in many ways - to mean, it means the town cleaning the beach each morning, it means providing accessible trash cans at the beach and emptying them often enough so they aren't overflowing. It also means finding a way to REALLY keep the bathrooms clean. There are people who think we preserve the beach by NOT providing trash cans and expecting people to take trash home with them - this is NOT realistic and NOT reasonable. So many of the above options are about more government control of private property. There is enough of that. "Management of any increase of tourism levels." ??? The economy of the town depends on tourists. This isn't Disney World, we can't close the gates if we decide there are too many people.	1/27/2017 7:08 PM

42	The zoning laws are too strict in my neighborhood. A small quiet B and B should be allowed anywhere that there is space for parking. I have a large property and would love to have a very small B and B. However, the zoning says that it is strictly residential. Others do it sneakily, but I am not that type of person.	2/1/2017 7:00 PM

1	31. Town parking garage at lower lot and satellite lots away from down town. No other types of parking in commercial area. 37. We do not need programs for Seniors, adults, family or youth. We are an active, independent community and seniors have the Senior Center in Wells. We have so few families and barely any children in town. To invest town money to accommodate so few children doesn't serve the community. Families should take turns and should host groups at their homes. There are parks for games, the fabulous beach and the playground. The library here and in Wells. All over the country families arrange play groups. Why is it a problem here? Making the choice to live in what is essentially a summer community with many seniors, and very few children, requires that parents step up and get creative. Ogunquit should not be financing activities. Many in Ogunquit grew up in towns just like this and everyone found things to do on their own. We have got to change the political climate in town. The entire Select Board should be replaced. There is visible hostility from them towards members of the community and towards each other. They are an embarrassment. The community is at a low point. We need to elect people who are honest and committed to the town and can remain independent of any influence from the power base in town. Ogunquit needs representation that presents in a respectful and dignified manner. We have become like a bad soap opera. Let's find some good people to get us back on track. Senior housing should be a high priority and even if it means tearing the Village School down and building from scratch, that location is ideal. Many features of the building could be incorporated in to any new design. Seniors here seem to be looking for market priced housing. It is unfair to even be thinking of using that fabulous location for work force housing. The playground could be moved which would allow for expansion of the building and also parking. That really should be the first priority. Rehab and expand if possible, tear down and rebuild, or sell to a developer that would put in market priced apartments.	3/15/2017 3:57 PM
2	We appreciate providing input, thank you for asking.	3/14/2017 5:01 PM
3	Eliminate Type # 3 restaurants in the Limited Business Area. We must preserve Ogunquit's character, integrity and promote a pristine upscale environment that the citizens of Ogunquit would be proud of. We must model our community after the example of Kennebunkport, Special treatment and privileges for a select few must end. In addition, Shore Road was identified in the previous Comprehensive Plan as a focal point of maintaining Ogunquits historic beauty and priority should be given to this beautiful walking path that is part of the "Golden Triangle," which consists of the Ogunquit Beach, Marginal Way. and Perkins Cove	3/12/2017 3:31 PM
4	We need background checks on all elected officials and appointed board and committee members A vehicle for communicating accurate info to the public to minimize rumors Opposed to private organizations conducting limited and unverifiable surveys to put forth their agendas	3/11/2017 4:32 PM
5	We need to attract young families to live and work here and work on making Ogunquit more of a year round town. Advertise Ogunquit as a perfect place to raise a family - clean, safe. We also need a place for our community and our kids.	3/9/2017 9:00 AM
6	Ogunquit is an amazing place. I just see two classes of people. Some get away with murder while others have to jump through more hoops than the privileged. Do whatever we can to treat everyone the same no matter what their last name	3/8/2017 7:16 PM
7	The Town should purchase the Leavitt Theater and run it with volunteers, use it for historic preservation. The Town needs a professional historic preservation commission that actually cares about real history and isn't so worried about design details on new buildings. Tell them to visit the Wells Historic Society or Berwick, or York and see what a real historic preservation committee looks like.	3/7/2017 9:35 AM
8	First beach parking sticker should be free and the 2nd cost \$50. Town should purchase the Leavitt Theater to preserve it and keep it running and/or rent it as a theater. It's a historic part of the town and needs to be saved. Historic Preservation is so worried about windows on restaurants and doesn't seem to care about the important real history! Tell them to get their act together.	3/7/2017 9:15 AM
9	Focus on the quality of life for year round residents. We need a Park and Rec Director but we don't have a good track records. Why?	3/7/2017 9:03 AM

Town Of Ogunquit - Comprehensive Planning Survey - Final

10	Use the School as an "Artist Colony" with studios, much like those in other towns and states. Rents would make the space a "break even" proposition. This town is an artcentric town and has a long arts history. Art is in its DNA.	3/7/2017 8:53 AM
11	The town needs to begin to limit the tourist impact.	3/7/2017 8:20 AM
12	I don't be leave that we should have to pay to park at my beach	3/1/2017 4:19 AM
13	We have chosen to live seasonally and eventually year-round in Ogunquit primarily because of the Playhouse, the beach, the museum, the restaurants, and the busy summer season. The character of the town and the people of the town (all the people, both full and part time !!) are life-affirming, youthful, and creative. We must keep it so.	2/28/2017 6:28 PM
14	I would just like to say that any changes we make as a town needs to carefully consider the current laws/guidelines to ensure we don't cause hardship to anyone who purchased under old guidelines. We need to consider grandfathering current home owners to current regulations. Changes should impact new buyers to the town. Thank you.	2/28/2017 11:45 AM
15	Residents of Ogunquit need some perks when the summer tourist seasons swells, it is part of the charm and draw, but never finding parking at any lot or street, is disappointing. The summer season is what town residents wait for as well. The dishonesty with the town officials is concerning, this needs to be much more transparent. The hours at the transfer station needs to have at least one day where it is open late, it really hampers those who do have to work, and waiting till a day off to go to the station. This is an issue with many neighbors.	2/28/2017 9:57 AM
16	What's missing in Ogunquit is a facility for a community-type retirement with health-care services. The seniors who live here love Ogunquit and would like to stay near friends when independent living is not longer possible.	2/27/2017 4:51 PM
17	Ogunquit has always been a beautiful place though we have gotten a black eye lately do to the politicians,we need to stop raising taxes so the people that live here year round can stay and live here. where we want to stay. You are pushing us out and it is very sad. I have been here over 30 years and it is just very sad.	2/27/2017 2:06 PM
18	with recent issue of parking funds I believe its time the town invested in Kiosks machines , eliminate a lot of workers ,	2/27/2017 2:04 PM
19	Believe that the survey was quite complete.	2/27/2017 1:49 PM
20	The town is too political - it is geared/focused on the business community and the tourists - residences take a back seat. And many of the board members are an embarrassment.	2/27/2017 1:18 PM
21	Business interests have always seemed to have higher priority than conservation needs. Too much residential and commercial building and too many crowds put too much strain on the land and on public services.	2/25/2017 3:18 PM
22	It is a great community and its basic structure should be preserved	2/25/2017 3:15 PM
23	House tours or B&B Tours or Historic House tours A little more emphasis on residential than business concerns. I think business is taking over more and more of the town. The quaintness of the town seems to be eroding in recent years. Satellite parking lots might be good but what means would be used to bring people into town? It might cause more chaos.	2/24/2017 8:18 PM
24	TOTALLY opposed to restricting any businesses on account of being part of "chains."	2/24/2017 10:17 AM
25	Keep Ogunquit what it's always been A peaceful balance of residence and business A friendly reminder from a taxpayer, not a voter THE TAXES HERE ARE VERY INEXPENSIVE look around and compare Spend some money making the town beautiful and maintain it	2/23/2017 9:46 AM
26	There is too much divisive activity among some local people regarding civil discussion about the future of the town. It is difficult to give an opinion freely at meetings. It seems that anyone who did not like the OVS project was criticized and then the person in charge of that OVS project is always against anything for seniors. Although seniors are being used in the promotional material. It doesn't make any sense. Seniors already have a stake in the community. It would be nice to have more families but we need to address the needs of the people who are already here and paying taxes.	2/22/2017 8:44 PM
27	Don't underestimate the political clout that non-resident full time tax payers can muster. Treating us like second class citizens during the 2015 parking sticker travesty still lingers.	2/22/2017 5:16 PM
28	There is a need for year round affordable housing, and staff housing for summer employees. The Town should reward those employers who provide housing for their staff. The beaches could use some additional services, particularly better bathrooms, and food at the Footbridge and North beaches. We need more outdoor activities: concerts, craft sales, art shows, food market in the summer, more walking trails west of Route One, like the one at the Dog Park.	2/22/2017 9:15 AM
29	No drones, leaving the beach and our precious Marginal Way alone, spend some time on the beach, on the rocks, in the water, on the water before you make decisions that affect thousands of people for years to come. My family has summered in Ogunquit since the 1920's and have personally been here for 63 years. My family currently owns 5 homes in Ogunquit. There are 62 family members most of whom work , live and play in Ogunquit. Thankyou	2/22/2017 8:10 AM
30	Ogunquit is a charming town and visitors have been coming for many generations. I'd like to see the charm remain while supporting families to continue to vacation.	2/22/2017 6:56 AM

Town Of Ogunquit - Comprehensive Planning Survey - Final

31	There should not be a Senior Housing development which is non need based. It should NOT be located in the center as this should be used for businesses. Ogunquit should actively try and get families into town so it does not become a retirement community. Ogunquit should also be creating more opportunities for lower cost rentals for tourists, including AirBNB.	2/22/2017 5:43 AM
32	I am just hoping that many people were provided the opportunity to fill This survey out.	2/21/2017 9:51 PM
33	Please consider increased police presence on Footbridge Beach to monitor public drinking, smoking and to impose fines for infractions such as trespassing into the dunes. I have also seen adults changing out of their on the bathing suits and even urinating in public view.	2/21/2017 9:02 PM
34	My family bought a house in Ogunquit in 1945. Since then, 4 generations have cherished the incredible natural beauty of Ogunquit. It is truly a wonderful place for most people to be able to walk everywhere. There should be an effort to conserve the "night sky." There are some very bright lights beaming from Perkins Cove that blind people walking on the Marginal Way at night. There is another bright light that comes from the Ogunquit Beach Parking Lot that detracts from the view by the Lighthouse. The Marginal Way is becoming too "glitzy" with unnecessary "upgrades." Due to the masonry added a few years ago, there is not one handicapped accessible bench. We do not need any more garish plaques and towers. The Josiah Norton 1924 plaque should suffice. More beach plum roses should be planted. Restrictions on Drone use; should not be flown over the beach, on the beach, or on the Marginal Way. Please consider a handicapped parking spot or two on Stearns Road. Many people come with a disabled family member eager to allow them to experience the Marginal Way. Please consider a seasonal speed bump on Stearns Road (like there was on Obed's Lane and like there is on Hoyt's Lane). Side walks on both sides of Shore Road. In general, there should be a campaign to educate visitors and residents to drive only when necessary and with extreme caution on all streets in Ogunquit. Could you look into a car free time period on Shore Road for walkers and bikers to enjoy? Cambridge, Mass closes Memorial Drive on Sundays from 11 am to 7 pm from April to November. (Perhaps a day during the week for a couple hours would be feasible). Thank you very much for your consideration and your hard work.	2/21/2017 7:39 PM
35	We are currently seasonal and will live here year round someday and would hope that the level of tourism is controlled, particularly the day tourists. We would like more walking trails too.	2/21/2017 2:51 PM
36	Ogunquit in the winter is the best time when there is less traffic and people, we need to begin to limit the number of tourists by limiting the number of parking spaces. More parking means more people and we are bursting at the seams now during the summer.	2/21/2017 2:39 PM
37	I would like to see the Dunaway Center used more for social and educational events. there use to be dinner/dances for adults, etc during the winter.	2/21/2017 2:27 PM
38	suggest rent-a-bike, more public transportation year round, Don't increase parking we are already overflowing with people in the summer.	2/21/2017 2:15 PM
39	Offer tourists the opportunity to memorialize a brick on the route 1 sidewalk for a fee (\$100?). It will bring additional revenue to the town and encourage tourists to come back to see their brick. It has been done successfully in the town of New Smyrna Beach in Florida.	2/21/2017 1:47 PM
40	There are alot of good people doing good work for ogunquit and there are some who just keep breaking laws and buidling whatever thy like..perkins cove etc...also the Marginal way needs to be protected not built up and made to look ugly!!1	2/21/2017 8:59 AM
41	This Town must be carefully treated to keep its charm and uniqueness - that is not being done. Wealth and means are taking the place of common sense and long term consequences. Many more far-sighted people who really love this Town and its environs are needed to preserve everything that has made it a "gem" for hundreds of years; changes must be in the best interests of preservation and not for personal gain which has engulfed it over the past 30+ years. Just because you can, doesn't mean you should.	2/21/2017 8:14 AM
42	Thank you for your time and efforts! Looking forward to our next 50 years in this "Beautiful place by the Sea"	2/21/2017 7:16 AM
43	Cross walks in center of town should be controlled by system that tells people when to walk/cross. This will help tremendously with congestion. Parking system at the beaches NEEDS to be improved. Eliminate cash and install credit card meter to allow people to enter. The traffic back up at main beach is awful. Too much cash and temptation to steal.	2/20/2017 5:57 PM
44	Ongoing concerns that Ogunquit's finest natural resource, The Marginal Way, is losing its simple beauty. Compared to how the walking paths at Acadia National Park are simply maintained and remain beautiful, our Marginal Way is constantly undergoing "upgrades" and is losing its charm. Sometimes, less is best and memorial plaques are unnecessary and unsightly.	2/20/2017 4:29 PM
45	Thank you for the opportunity to provide feedback.	2/20/2017 1:06 PM

Town Of Ogunquit - Comprehensive Planning Survey - Final

46	We just purchased a property in Ogunquit last fall. We think that the town is going a great job in maintaining the tranquility of Ogunquit. We plan to be full time residents later in the year. As of today we do not have enough information about some of the town offices to comment on all of the survey questions.	2/20/2017 11:39 AM
47	Question? On busy beach days, why is the sign of parking lot full put half way down the street and not at the top of the street. Cars sit in a row of traffic, creating exhaust and sheer unsightliness only to make a u-turn at end of street to go back out. Better control of that situation/monitoring how full the parking lot actually is and radio to someone to put the sign up or down, saving a lot of frustration especially to us locals/residents that utilize that parking lot.	2/20/2017 8:46 AM
48	As a fairly new member of the community, I understand the dependency on tourism and welcome it. However, there is a desperate need to figure out a way to balance pedestrian traffic and vehicle traffic during the season. Limiting it isn't an option; but there must be a way to enforce a smoother traffic flow through town. The sidewalk from Cornerstone and Rose Cove is dangerous to both pedestrians as individuals in vehicles are trying to turn corners and move through town carefully while pedestrians blindly step into the road without hesitating or checking to see if it is safe. It seems like there should be a way to allow time for traffic then allow time for pedestrians to safely cross. I don't know how practical that is or if it would really work, but as a resident, it can be quite terrifying to be driving and suddenly without warning pedestrians step into the street.	2/20/2017 7:26 AM
49	Traffic congestion downtown is a major problem. Hard to exit from Berwick road up route one (north). Route one bypass west of route 1 sounds like a great idea. At least a traffic light Where Berwick Rd meets route one would be a huge improvement.	2/19/2017 8:01 PM
50	Let's continue to support businesses in Ogunquit. If it's too difficult to afford to park your car in Ogunquit for someone who works in a restaurant or shop then there won't be restaurants or shops to enjoy. Let's let all the people that make up the town peacefully, respectfully coexist. This is what I have observed for over 40 years. Let's not turn the town into a retirement community. No particular group has any more right than another to have special benefits in Ogunquit	2/19/2017 2:52 PM
51	..thanks for all you've done and continue to do for our beautiful ace by the sea!	2/19/2017 12:37 PM
52	I am very dismayed to hear stories about problems with city employees, e.g. recent problems with city manager. I would hope the city offices would create a professional and ethical atmosphere where employees are trusted to do the right thing for the city. I think people are questioning that now.	2/19/2017 11:26 AM
53	You are doing a great job! We have been vacationing here for years and fulfilled a 30 year dream of owning. Our first year as property owners has been wonderful We absolutely LOVE Ogunquit!	2/18/2017 9:50 PM
54	We need to revitalize our town!	2/17/2017 5:45 PM
55	Some items with about 10 choices to rank, the survey numbered the remaining choices even though I only wanted 5 or six choices and did not want the rest all. I think this is a fault in the survey system!	2/17/2017 1:06 PM
56	Let dogs run free year round!!!! Let people sell legal buds and bring happy people to town! More bathrooms, only one in downtown, really?? I number 2'd myself!	2/17/2017 11:49 AM
57	I want the quaintness of Ogunquit to remain as that is what drew me to this area it was the peaceful setting. I was not a fan of all the citification that the town has been doing with the side walks etc the past few years, but I understand that we need to move forward with progress, but I do not want to see multi dwellings coming up like I see in Wells/Moody with 10-12 3 level dwellings with one driveway as it is ugly to look at and takes away from the scenery. We do not need these monstrosities being shoved in every available space. I no longer go to the beaches during the summer as the busing in of all these people have made it so tight you have no where to sit with any breathing room. Thank you for your review of my comments & I hope we can keep some of the natural beauty in Ogunquit.	2/16/2017 12:51 PM
58	Very comprehensive surveys, I am concerned about the interest in senior housing, etc. This is small town with minimal services, no schools in town etc. The thought of adding all of these services will increase the tax rates, which is not appreciated. The fact that as a non-voting resident is frustrating that as few as 892 (according to the last census in 2010) full time residents making decisions that affect everyone. This type of survey is very much appreciated and a positive move in the right direction. I suggest town issues be allowed to be voted on by all homeowners and board membership be open to all.	2/16/2017 4:05 AM
59	Ogunquit is so pretty in summer with all the pretty flowers and colors, but I notice at the entrance to Perkins Cove, the small triangle of land there always seems a bit neglected and odd selection of plants that often seem in need of care, water,mulch and pruning, etc. Maybe some ground cover too (pachysandra?). It sends a weird greeting upon entering the beautiful Cove.Who is in charge of this? It totally needs help. There are two chairs there right now, which are kind of awkward,to say the least. I always wonder,... who is going to feel comfortable sitting there? Anyway , some pretty small, evergreen bushes in there , with room for flowers in summer would help fill it in correctly.	2/15/2017 5:53 PM

Town Of Ogunquit - Comprehensive Planning Survey - Final

60	I never use beach parking permit. I always use they trolleys. I've had some of the same drivers drive us to the beach for more than 20 years. It a very hard job driving beach goers because they want to get there in a few minutes but traffic doesn't allow that. Maybe a special lane on route one for Trolleys, fire, police and buses. The town should consider themselves very lucky that they have a #1 trolley system that doesn't cost the town 1cent. I watch the meetings when people complain about the trolleys and the owner. It's a shame. I met the owner and his dad and sister and they all drive trolley. One night one of our guests lost his wallet on the trolley he called the trolley office at 10:50pm and got a real person on the phone they radioed the trolleys online and found the wallet. The owner delivered it at 11:35 pm to my home. Thats service.	2/15/2017 5:49 PM
61	I would like to see the Town of Ogunquit and the Comprehensive Plan Steering Committee put less stock in what the ORA has to say. They do not represent the majority of the town residents, voters, business owners and tax payers, the ORA is comprised of less than 7% of the taxpayers, that makes them a minority NOT a majority.	2/15/2017 5:01 PM
62	Bath house cleaner and updated dumpster in parking lot at beach...!CK wifi at beach	2/15/2017 4:01 PM
63	the Marginal Way is a jewel so glad that it is being maintained and improved. The dedication plaques are very special. Leave natural things natural, the beach, dunes, waterways, and coast should be left alone and let nature takes it's course.	2/15/2017 3:08 PM
64	concentrate on controlling growth that ruins the quaintness of Ogunquit. Tax payers should have free parking and reserved parking spaces - we pay taxes for this right. No more trashy tee shirt shops.	2/15/2017 1:07 PM
65	Seasonal tax payers should be allowed to vote on town issues.	2/15/2017 12:47 PM
66	No multilevel parking garages in town! Never to anything to the beach, let nature take it's course! None of the choices for the use of the school work for me.	2/15/2017 12:34 PM
67	Don't so much when I'm here, parking is too hard. Don't bother with a beach sticker, even with a sticker there aren't spots available when I go there.	2/15/2017 12:13 PM
68	Overall Ogunquit is a nice place to live. We need street trash pick up. Beach bathrooms are disgusting. The Board of Selectmen need to get on the same page and remember they work for the residents not the other way around.	2/15/2017 11:52 AM
69	n / a	2/14/2017 1:37 PM
70	Hire better town officials!!!!!! Do background checks, credit checks, psychological tests!	2/14/2017 1:03 PM
71	I would love to see Ogunquit become a place of close-knit community, where all residents, both seasonal and year-round, live in harmony and balance with the tourist community and the businesses that serve them. Ogunquit has the potential to be a thriving year-round community that cares and provides for all who live within its boundaries, yet so often I feel that residents are given a lower-priority status, lacking simple resources such as public restrooms and even public garbage cans in the winter, giving our town the feeling of being a seasonal Disney World. While it's understandable that business owners have no reason to stay open when there isn't enough traffic to drive sales, I am of the opinion that community energy drives even more energy, and creating activities, classes, and gathering spaces in a multi-use space such as a community center is a way to start creating that energy. Ogunquit needs to once again become a place where young families can affordably raise a new generation of children who will grow to love and care for this town, or we will soon be a community that dies out entirely.	2/14/2017 12:53 PM
72	I have been reading the previous Comp Plan that was adopted in 2004. It's appalling how little has been accomplished since its adoption and the same questions that were asked at that time are being asked again. I wonder why we're even going through this exercise if - like several other documents initiated in Ogt, - this one will be shelved and left to sit in a box somewhere. I also believe that in streamlining the various departments that serve our town, services have become less efficient, more impersonal, and certainly NOT delivering the community spirit that existed when I first moved here [REDACTED]	2/13/2017 11:35 AM
73	Make all the information available Communicate how the Plan will be used Provide a mechanism for residents/tax payers to follow the implementaton of strategic decisions	2/13/2017 11:06 AM
74	I do not support resident free parking as we benefit from low cost parking passes. The town should remain friendly to seasonal businesses and not seek to regulate or impose higher taxes. The season for tourism is brief, and we do not want to lose businesses or bring in the wrong type of business which will downgrade our town. Perhaps Chamber of Commerce can continue to plan special event weekends to continue to bring tourists throughout the year, including B & B events, dinners, wine tasting, mystery theaters, etc.	2/13/2017 9:03 AM
75	Ogunquit needs minimum Fire/Rescue staffing of three personnel (excluding the chief) YEAR ROUND and 24-7. Every time the ambulance heads to York Hospital or beyond (Portsmouth or even Portland), we have NO ONE on duty at the station for six months of the year! The size of the Grand List in Ogunquit should certainly support this basic public safety need.	2/12/2017 9:07 PM
76	Have informed courteous summer help Remember year round tax payers	2/12/2017 7:51 PM
77	Please do not lose the seaside feel to Ogt. We don't need another Hampton, Old Or hard Beaches.	2/12/2017 6:53 PM

Town Of Ogunquit - Comprehensive Planning Survey - Final

78	Maintain Ogunquit's reputation as a "Beautiful Place by the Sea"	2/12/2017 4:36 PM
79	I think there has been some problems with money given to a certain person that has cheated and should be fired. Yet he is still getting his salary.	2/11/2017 6:57 PM
80	Please review an email outreach program so the any community information can be transmitted from the Town directly to folks who sign up for information can receive it directly from the town in a timely manner. Thanks for all your work on this Plan!!!	2/11/2017 12:24 PM
81	1. Provide safer bicycle and walking paths 2. Plan for rising water level.	2/11/2017 10:27 AM
82	Perkins Cove has several attractions, ie restaurants, shopping, art, etc. However, the parking is very limited. If there is any way to improve the parking situation, that would be a positive improvement.	2/10/2017 4:08 PM
83	Bury the power lines	2/10/2017 3:54 PM
84	Do not even consider limiting short term rentals of people homes. The summer rental market is what has helped this town prosper and garner new tax dollars, this has helped business succeed and the tourism has brought millions of dollars to the town, raised property values and helped change the look of the town from one of Old Orchard Beach with T shirt shops and fast food stands to a beautiful place that everybody wants to visit. If you limit peoples ability to rent their homes, families will not be able to afford to stay in hotels and will stop coming, not to mention people will sell their cottages and drive prices down as a glut of homes will exist on the market. If prices drop so will tax revenues and thus your budget for improvements. Do not alienate the very people who come to our town to spend millions of dollars for a population of senior citizens who spend nothing. Give our seniors abatements on their taxes and help then that way while still taking advantage of the rental market that feeds the system.	2/10/2017 1:31 PM
85	After the fire that destroyed the Blue Water Inn and part of the Norseman, why was it possible to build the new Norseman structure 1-story higher than the building it replaced? I have photographic evidence showing before and after, taken from my porch. Definitely obstructed my view more than before. I thought abutter's rights would come into play before anything like that happened? Please do a better job of informing neighbors when a large building in such a prominent area is under consideration.	2/10/2017 12:36 PM
86	Stay on the current track and don't let the town become a summer "honky tonk" like York.	2/10/2017 10:04 AM
87	Ogunquit biggest asset is its beach and tourism is what helps to keep our taxes low. We need to promote tourism. Friendly welcoming town employees are so important (parking attendants, police and lifeguards) are usually the first people a visitor encounters. Outdoor dining is wonderful spring, summer and fall. Residents need to understand that with out our business community (retail, lodging and restaurants) enhance our town and do not detract from it.	2/10/2017 9:55 AM
88	Please feel free to contact me, I have written to the town manager and selectmen before, I am a mon [REDACTED] and would be happy to share my thoughts on any plans involving making Ogunquit more kid friendly. PLEASE PLEASE DO NOT PUT TRANSIENT SUMMER WORKER HOUSING NEXT TO THE ONE SAFE PLACE FOR ME TO TAKE MY KIDS...the playground. PLEASE PLEASE tell me that isn't a serious option. [REDACTED] [REDACTED] This was a great survey and I gave very careful consideration to the questions. Thank you for taking the time to hear our thoughts. But please please fix the cell service problem!	2/10/2017 9:12 AM
89	Some great questions on the survey. Traffic tends to be my biggest concern.	2/9/2017 9:19 PM
90	Have a truth squad to stem rumors and personal attacks against town officials/employees.	2/9/2017 1:11 PM
91	n/a	2/9/2017 12:57 PM
92	Continue effort to provide transparency in government through broadcasts on Channel 3, website and Q&A sessions by the Select Board. Adhere to Town Charter.	2/9/2017 12:29 PM
93	We need to take care of our residents first and the businesses second. Business in town has controlled our tax rate. As a full time resident, I am forced through my property taxes, to support out of state boat owners who moor their boats in the cove. That is just one example of how residents are paying to supplement businesses in town. That is unacceptable. On a positive note, the town has done a great job of keeping the quaint feel in Ogunquit by not allowing chain or formula businesses. I hope this continues. Thank you for all of your hard work and dedication to the town.	2/9/2017 11:16 AM
94	Designated parking spots for beach sticker holders Upgrade Footbridge Beach bathroom facilities. Contain restaurant air pollutants	2/9/2017 11:05 AM
95	All private roads should pay for their own plowing for emergency vehicles or everyone should be plowed by the town. We are all taxpayers. Thank you	2/9/2017 10:49 AM

Town Of Ogunquit - Comprehensive Planning Survey - Final

96	The committee needs to put the residents that have lived here their entire lives first. They are the ones who deserve to enjoy the benefits of living here. Unfortunately it seems the rich Mass-asses are taking over. They are buying the homes and then want to change the town to their liking. The business owners are not a priority to the real residents, very few of the business owners live here but expect the town to bend over backwards for them. This town would be better off without them. I really don't care if anyone visits Ogunquit, the only thing it does for me is cause traffic and putting up with visitors that think they are "entitled" because they throw their money around. Next... The town should NOT provide employee parking passes! The businesses are making millions. They make their money and leave. The town gets very little. Let the business owners figure out employee parking and housing. Why are residents paying for it? Dirty promises by dirty town politics.	2/9/2017 8:37 AM
97	Ogunquit is not a big municipality, York County has an excellent Community College and other available facilities. We do not need a "community center"! The Dunaway could be used for some programs but people need to take responsibility for finding there own classes and social activities. Tired of being bullied and pressured by the wife of one select board member to support a facility for her and her child!	2/9/2017 2:46 AM
98	1. Do not tax higher non-residents as their tax revenue surpasses all the residents that make the decisions! 2. Allow non-residents to vote on local issues. 3. Straighten out the system for the parking passes..... really, you still have someone applying it by hand????? Not a great use to time or \$. Just mail them and write on the sticker the license #. If it doesn't match at the lots, ticket and revoke for season. This is how Boston does it. 4. Return the essence or the town to it's original concept, an art colony..... not a t-shirt, bar hopping parking machine. 5. I commend you on administering this survey, though some questions were leading. There should have been more open ended question opportunities such as question 28, 29. Lastly, please explain what "subsidized resident parking" means, question #33. If I didn't understand it, I will bet many people won't. Also, the "put in number sequence" questions, not very easy to execute.	2/8/2017 6:50 PM
99	ORA should provide certified proxy letters for each citizen they say they represent on each issue.	2/8/2017 3:26 PM
100	Thanks for all your hard work but in my opinion the multiple question ranks read on sided (ORA driven)	2/8/2017 12:05 PM
101	I feel that we need to keep building in check. It seems that some out of state builders and maybe a few instate, don't value the need for lawns and other green spaces. Our uniqueness is rapidly disappearing! We need to protect our 3 treasures in town, Perkins Cove, the Marginal Way and our beach. These are the things that make us Ogunquit! These are the things that keep our property values up. The town needs to be marketed as a walking community and keep the speeders off our streets! .	2/8/2017 12:01 PM
102	The town needs to have the correct people in place to manage the business / resident conflicts. If the town wants to operate and charge premiums for beach parking and parking in general then it needs to manage those facilities as a high end business would.	2/8/2017 11:12 AM
103	I would like the old school to be used for low income housing for town employees with a mix perhaps of retail stores.	2/8/2017 11:00 AM
104	We bought our vacation house in Ogunquit because it is clean, safe and beautiful. My adult children and grandchildren love the beach. The marginal way is beautifully maintained and we hope the town government ensures that future generations enjoy the beauty and serenity that we have today.	2/8/2017 10:55 AM
105	I do not believe that affordable / low income housing belongs in a small, quaint, tourism friendly town like Ogunquit. This would erode the charm of the town along with our property values in the long run. Not every hamlet and village has to take on the need for low income housing along with the inherent trouble it brings. Leave that to towns with larger footprints that do not count on appearance and demographics for their lively hood.	2/8/2017 10:27 AM
106	Please consider including the Ogunquit School House as a useful part of the community. Anything is better than nothing. Develop some community spirit. We are a wealthy town, put that wealth to use and live up to being The Beautiful Place by the Sea by making a place where we can "Gather Together". Thanks	2/8/2017 7:10 AM
107	Please make sure whatever you do in aesthetically pleasing.	2/7/2017 5:51 PM

Town Of Ogunquit - Comprehensive Planning Survey - Final

108	<p>In the 1950's Ogunquit was an era of grand hotels / summer tourism / 3 grocery stores, 3 hardware stores, 3 doctors, Ford dealership, Chevy dealership, a store on Perkins Cove (before Barnacle Billy's) that sold only knitting and art supplies, and a drug store that sold medicine with a soda fountain. Thirty percent of the families either fished or worked at Pease or the Navy Yard. During the 1960's Hotels were replaced with motels. The early hotels all had an American plan therefore there was less need for restaurants. Many tourist came by train, bus or taxi and generally stayed for a minimum of 2 weeks. When the hotels were replaced by motels , food service was then needed and more restaurants were opened. During those 2 decades artist migrated here until they could no longer afford to live and were restricted on selling their work here. Families were starting to be discouraged to live here. Basic community structure was changing. Route One and Shore Road were turning to retail and short term hospitality. Homes, helps quarters and even a church were being converted to commercial properties. Ogunquit and Carrabassett Valley became number one and two in the second home housing market in Maine leaving year round resident biting at the real estate sales carrot. Normal town conveniences were restricted by ordinances prohibiting formula food restaurants and certain drive through windows sales. I personally remember when the store named The Flower Lady could not sell the flowers that were hung outside her shop door because it constituted an outside sale. This all sent the community in a direction of protection. It has proven good and should not be tampered with either by business or specialty green interest. Our past town zoning laws and boards have protected the present character even when done in reaction to growth in the communities around us. We are not going to have a hospital like York or a College like Wells. If we really wanted to start the town again than we should start with the school and bringing children back into the picture and community. That is how towns are made and not by creating a retirement community with no services. It takes a village Hilary said and we, the town of Ogunquit does not have the components. That being said after 66 years here I believe we have one of the nicest and prettiest pieces of earth on the planet for the traveling public. And I have seen some major mutations. Pretty nice for year round residents but not for everybody. I would suggest not reinventing the wheel but to protect the engine of our beautiful community. We are the envy or people everywhere with our beaches, our walks, our quaint downtown area, our live theater and music and our art galleries and museums. I believe that we do not need more of anything from too many more controls or government. We are an incredible wonderful little tourist town. We should be proud to see who we are and be grateful. Please be careful as you all try to make something spectacular better or more suited for any specific groups.</p>	2/7/2017 4:56 PM
109	<p>Don't end up like all surrounding communities and towns. They are out of control.</p>	2/7/2017 4:47 PM
110	<p>Ogunquit is indeed a beautiful place to live..i am so happy I decided to live here and I let everyone I meet know that and encourage them to come join us here..</p>	2/7/2017 4:15 PM
111	<p>appreciate the opportunity to get an insight into some of the upcoming issues facing Ogt. Ogt is a special place which hopefully will retain its seaside charm, beauty, and class in the future would like to see mgmt of size of mega homes on marginal way suggest that you consider elevating the donation opportunity to walk marginal way - it is unique and costly to maintain</p>	2/7/2017 3:31 PM
112	<p>Strongly adhere to the Ogunquit Zoning Ordinances Do not expand parking in Ogunquit. The size of the beach and amenities within the Town can't support it.</p>	2/7/2017 3:15 PM
113	<p>Don't fix what isn't broken.</p>	2/7/2017 12:30 PM
114	<p>Provide a more active tennis program. Repair the tennis courts as we have a group that plays four days a week in the morning and it is run by the home owners. That is fine but if the town could help promote it we could get more folks to join. Just by word of mouth we have about 50 people to play. Also pickle ball should be promoted as we have the new court. The tennis courts have to be repaired as they are an accident waiting to happen</p>	2/7/2017 10:50 AM
115	<p>You have to live near downtown to see how the community has changed in the last five to ten years. It used to be more of a community. The noise an lack of respect has changed.. The town has to enforce codes, Laws. The tourist have no respect for the people who are supposed to protect the community. The town has to decide if it wants to become something other than the Beautiful Place by The Sea</p>	2/7/2017 10:39 AM
116	<p>My wife and I lived in ██████████, FL for many years. The town was notorious for its strict building codes and rigorous enforcement. They faced ridicule and criticism for it but they have alone in south Florida have maintained a charm and atmosphere that is attractive to residents and visitors. Do not fall into the growth trap. Once you lose the character of this place you will never get it back again.</p>	2/6/2017 7:37 PM
117	<p>The town needs to be cleaned up. I am really pretty disgusted by what I have experienced and seen with our town offices. Tom was clearly an issue but he was part of the "GOOD OLD BOYS" club so no one ever did anything. We need to have independent thinkers who have the town and the people of the towns interest at heart. Not just the business. I was heart broken when the school closed and now my family almost exclusive connects with the Wells community instead of the Ogunquit one. Offering something that promotes family and community would be amazing. A community center in the school would be a great start to bring community together.</p>	2/6/2017 7:34 PM
118	<p>Ogunquit should have a room tax as many other resort communities do, e.g Newport, R.I. Provincetown, MA to name just a few.</p>	2/6/2017 6:36 PM

Town Of Ogunquit - Comprehensive Planning Survey - Final

119	I think Ogunquit needs to relax the rules and regulations on retail, we are seriously lacking in that department. We have so many t-shirt shops and not enough boutique shops. Independently owned and operated boutique shops would be a welcome sight.	2/6/2017 6:18 PM
120	Consider allowing taxpaying residents the ability to have their dogs on the beach . Do not subsidize senior housing, or seasonal workforce housing, or housing for families. Housing should be the responsibility of the resident. If one cannot afford to live in OGT, they should move to a neighboring town.	2/6/2017 5:53 PM
121	No more tourists, no more parking lots, no more development -- residential or commercial. If you want to make money, go do it in Wells or York. Leave Ogunquit alone. Stop planning to expand the town or its offices. Get a new city manager with ethics and experience and no personal financial problems.	2/6/2017 5:40 PM
122	Great town, great improvements in last few years, keep on keepin' on and thanks for asking for our opinions!!	2/6/2017 5:28 PM
123	I am happy to have this opportunity to share some of my opinions and concerns. I think town input should always be considered in any decisions that effect tax paying citizens.	2/6/2017 4:25 PM
124	I was very disappointed to see dogs allowed on Ogunquit Beach last year in August, September, and October. I would rather enjoy the view instead having to watch where I step.	2/6/2017 4:17 PM
125	The residents need to realize the importance of the business community (retail/restaurants) to the town of Ogunquit and not try to make it harder to have a business in town.	2/6/2017 2:08 PM
126	Think you've done an admirable job to this point, but as the stewards of our community, you must look outside only what you know today. Reach out and bench mark what other ocean front towns have found to work; both on east and west coasts. North and south.	2/6/2017 12:00 PM
127	Without a beach, Ogunquit has a problem. Find a way to preserve the beach otherwise people will just drive by. The character of the town will be lost.	2/5/2017 5:16 PM
128	I would like Ogunquit to keeps its character & charm. Ogunquit is a safe, diverse community & I want it to stay that way. I would like to see more safe sidewalks, so people can walk to most locations. Also space for people to ride bicycles safely around town. Thank you for keeping Ogunquit the wonderful community it is.	2/5/2017 1:28 PM
129	The survey appeared slanted towards Senior Housing.	2/5/2017 8:52 AM
130	This survey was poorly designed and way too long. Seemed too focused on services for the older population and not for younger members of the community	2/4/2017 9:38 PM
131	Why do people in Ogunquit who pay taxes, but are not registered voters, not have a voice on how their tax dollars are spent? Voting for public office, be it local, state or federal is understandable and should be where one's voting residence is located. But not having a voice on how my tax dollars are being spent within the Town doesn't seem right to me and many others.	2/4/2017 6:35 PM
132	Ogunquit is a wonderful vacation town. We visited annually for 15 years before buying a second home there. Let's focus on improving public transportation -- better, more eco-friendly trolleys that run more often, or using bicycle taxis to get cars off the road. I do think it would be good to expand the hotels and restaurants up on the north end of Route 1 near Wells -- the "Footbridge Beach area." With more hotels and restaurants up in that part of Ogunquit, we could draw people away from the center of town while still generating more tax revenue for the town. I worry most of all about overcrowding. Ogunquit's small town charm is what it keeps it special. I would never want to see a chain restaurant or chain hotel in Ogunquit. I would never want to see an ugly commercial parking structure in Ogunquit. Let's keep Ogunquit for small business owners and small local restaurants. Let's ensure that we manage the traffic and crowds in Ogunquit so that they never get over-whelming.	2/4/2017 4:03 PM
133	Do not over regulate. Do not get Greedy.	2/4/2017 3:31 PM
134	I would like to see more of the budget allocated to extending the lifeguard hours to 8am to 6pm rather than hiring all the summer cops that don't seem to add much value. It doesn't appear that the level of crime or activity should necessitate the numbers added for the summer. Also, my recollection is that the lifeguards had longer hours in years part.	2/4/2017 3:05 PM
135	Somehow streamline traffic through town square. To many people going to Wells use it. Try and identify an alternate route other than Rte 1.	2/4/2017 2:01 PM
136	n/a	2/4/2017 12:38 PM
137	Keep up the good work.	2/4/2017 12:04 PM
138	We have owned a small condo in Ogunquit, were married at the Beachmere and hope to live here permanently some day. We love the charm, people and of course the beach. Thank you for your service and good luck with your task.	2/4/2017 11:32 AM
139	Preventative measures to keep the geriatric population active and healthy. Thanks for asking for our opinion.	2/4/2017 11:31 AM

Town Of Ogunquit - Comprehensive Planning Survey - Final

140	treat seasonal property owners with a bit of respect. We have no vote, we are not a threat but we are treated like 2nd class citizens. a peek of ocean view kills us in taxes while in town properties are much much lower. We use the same services. We are only here a short while so we do not cost the town much money yet we pay a lot in taxes. We have the same property rights as anyone else.	2/4/2017 10:20 AM
141	none	2/4/2017 10:18 AM
142	Add an Historic Preservation Zone in Ogunquit to prevent the loss of any more historic buildings, etc.	2/4/2017 9:59 AM
143	Get our spending on services in line with surrounding towns	2/4/2017 8:13 AM
144	Ogunquit is a wonderful town with many advantages. The only idea I have to improve and to make the town look even better would be to get rid of the Bangor Savings Bank building and the Cumberland Farms building and replace them with architecturally appropriate commercial structures. By allowing variances on a case by case basis would be good idea to improve the appearance of homes. Some restrictions are not good for development.	2/3/2017 8:30 PM
145	I think we need to be very forceful in preventing overly dense neighborhoods. It seems that code is often ignored or overridden. The developers seem to have all the leverage. We need quiet neighborhoods with car-free roads. Commercial businesses (restaurants) need to respect residents and not encroach on our space. We do NOT need retail marijuana outlets. It would ruin our beautiful town where I have lived for 25 years.	2/3/2017 4:59 PM
146	The Select Board should be more supportive of the businesses in town and less influenced by the established "old school" residents who often are not open to new and creative ways to improve our town. I would also encourage greater promotion of the Chamber of Commerce and would like to see the Town of Ogunquit provide annual financial support to the Chamber. As the Town increases its police force during the peak tourism period, it would be nice to see a regular and more visible police presence at the main intersection.	2/3/2017 3:24 PM
147	Seasonal home renting should be limited to specific geographical areas and housing rental codes should be more strictly enforced. The Town of Ogunquit should provide annual financial support to the Chamber of Commerce. During peak tourist season police should "walk a beat" through business/beach areas.	2/3/2017 3:23 PM
148	Do all that you can to hang on to the traditional values of OGT: arts, fishing, beach, quaint village, local business - with more emphasis on satellite parking and central OGT traffic reduction	2/3/2017 2:47 PM
149	Ogunquit is a BEACH Town which should cater to the Tourist Industry which has made it a success. Two of our grown children and their children have become year round residents and tax payers. They do not, and should not, expect any special handouts at the expense of other taxpayers. The Board of Selection must put an an to the Group trying to form a parallel form of government to run the Town.	2/3/2017 12:14 PM
150	Allow tax payers more input to the town process.	2/3/2017 11:56 AM
151	In order of the shops, hotels, restaurants, galleries to prosper there must be parking for all consumers all over town. Also in order for the businesses to stay open the staff needs a place to park. Please do not do away with the current parking pass procedure.	2/3/2017 11:21 AM
152	Reduce tourism And expansion Cleaner beaches More open space	2/3/2017 9:49 AM
153	Receive a reduction on Ogunquit's portion of the school funding formulation	2/3/2017 9:26 AM
154	Please improve cell phone reception. Consider hiding a cell tower in church steeple?	2/3/2017 8:01 AM
155	I would like to receive the benefits of town rubbish curb side pick up and town snow plowing and road repair none of which I receive now or have I received in the past 33 years.	2/3/2017 7:27 AM
156	Public restrooms are an embarrassment. They all need to be gutted and redone, and then maintained.	2/3/2017 7:15 AM
157	Improved Town Government infrastructure with adequate staffing and improved web access to heighten efficiency and transparency. Implementation of strong policies to remove personality based decision making, conflict of interest and bias at the leadership level and to improve accountability.	2/3/2017 6:24 AM
158	1. During busy beach days there should be a policeman pretty much stationed down at the beach all day. 2. The limits on dogs on the beach are a little too restrictive. How about adding a month on either end and prohibiting dogs on the beach between 9AM-6PM the rest of the months? 3. Anything to encourage more and more interesting shops in town. The new development seemed like it was a missed opportunity.	2/2/2017 10:31 PM
159	I love Ogunquit, but I do feel that the town does not promote enough outdoor activities during the summer for a resort community. I would like to see more activities for children and adults that are encouraged by the town. Swim lessons, yoga, paddle boarding, surfing, day camps, exercise classes, etc...	2/2/2017 8:36 PM
160	A qualified town manager.	2/2/2017 7:58 PM

Town Of Ogunquit - Comprehensive Planning Survey - Final

161	The town should revisit the plans that were done 9 years ago to renovate the village school for use as a municipal office building with police dept. Dunaway Center should be used for recreation and cultural events. Our town cable stations is lousy. Poor quality broadcasting and taping of meetings. We need a better tech person and improved programming on that station. Town should have a Farmer's Market during the season. No place in town to buy fresh produce, fish, lobster, etc.	2/2/2017 7:51 PM
162	Hats off to the great staff that work at the transfer station. Those men work hard to be helpful, gracious, and maintain the best "dump" in Maine. Unsung heroes!!!!	2/2/2017 6:49 PM
163	I expected to see more input collected on beach erosion/beach management. I hope this topic remains at the top of the list for long term improvement.	2/2/2017 6:43 PM
164	I think that the most frustrating thing is watching the town meetings and seeing that the few town residents can dictate what happens. It is truly disheartening to see that as a property owner and tax payer that have no ability to vote. It is morally reprehensible that in this day and age that we still have taxation without representation. Watching town meetings whereby one senior resident complains about summer rentals and wanting the appropriate types of families to come back to the town is disgusting. To see a select board that allows the discussion without allowing others to have a say is sad. We pay as much if not more taxes than these residents, who benefit from the fact that we pay taxes and do not use the services but three months a year. We are basically subsidizing their lives but we have no say in anything because we are not residents. I believe that all property owners should be entitled to vote, stand for election and eligible to serve the community we all love. The town has changed over 20 years and it has changed for the better. It is even more beautiful than it ever was which is a tribute to those people running the town, but it happened because of the tourism and money brought into town as a result. Let us not take a step backwards in time and return Ogunquit to the t shirt shops of the 70's. No family is ever going to move to Ogunquit as there are no services or industry to support that. Ogunquit is one of the most beautiful summer villages on the east coast. Let us keep it that way and not restrict those activities like summer rentals and tourism that have helped it flourish.	2/2/2017 5:14 PM
165	if you take my taxes give me a voice on what you want me to do don't say just say [no way] because i am not a year round resident i am in my house 12 months a year off an on and i use less town services than a so called [year round resident] who go south for the winter months. thank you [REDACTED]	2/2/2017 5:00 PM
166	Break the contract of the Town Manager and fire him, as he is not serving the town in any capacity and considering this is the second time an incident like this has happen, it would be prudent to put in place an experienced town manager (and conduct an extensive background check) with option to fire upon any dereliction of duty without cause!	2/2/2017 4:52 PM
167	n/a	2/2/2017 4:40 PM
168	Please remember that the Dunaway Center was left to the residents for a community center. The town has slowly taken over all spaces in that building, leaving very few open rooms for the community to just use. The feeling that a few "private residents but influential" in the running of our town has been an undercurrent to getting projects completed or considered without undue influence by those people. Perhaps term limits for the select board should be considered so those outside influences can't continue to take hold? It's not the tourist businesses against the residents of Ogunquit. We all make a living somehow and those who operate businesses in town are generous in giving back to make this a good community to live in.	2/2/2017 2:58 PM
169	i would STRONGLY recommend that the study recommendations to pump sand from the river out to the beach be implemented. Its a no-brainer.	2/2/2017 2:51 PM
170	Ogunquit is a walking community and we should do everything to improve ogunquit as a walking vacation and residential community. In addition we should do as much as we can to become a safe biking and walking community for vacation and residential. Because of tourists we have many excellent restaurants, retail and support services. Most of us residents live here because of the beach, restaurants, retail, and other services. Maintain the balance of tourist and residential so that we may continue to live in this beautiful place by the sea. Discourage development that is not consistent with the existing character of Ogunquit. Encourage art in Ogunquit planning and development. And finally, tax relief to senior retired residents to encourage them to remain here.	2/2/2017 2:34 PM
171	Please improve our town government (Board of Selectman) asap to avoid the continued bad press that we attract! Published in the Bourne Enterprise on Cape Code - A Lot Of Shenanigans For A Small Town - Editorial http://www.capenews.net/bourne/opinion/a-lot-of-shenanigans-for-a-small-town-/article_588bf094-0847-54f2-9d83-75b49ee7fb18.html	2/2/2017 2:17 PM
172	It's unfortunate the town has lost it's way lately, the BS going on with the Town Manager and Head of DPW. The BS with ORA and people wanting to live in yesterday. We are wasting our time arguing about helicopter landings vs. prioritizing activities and knocking them out. First and foremost, this town needs to figure out what we want to A. A hotbed for tourism, one of the best on the East Coast of the US? or B. A residential town? I would prefer we clean up the main beach by fixing the bathrooms they STINK!, Repave Beach Street and Shore Road, fix and or install sidewalks, repave main parking lot, invest in automated parking. encourage foot, bike and scooter traffic. Put in a multi level parking garage at the lower lot. Allow outside bars with music.	2/2/2017 2:08 PM

Town Of Ogunquit - Comprehensive Planning Survey - Final

173	I found some of the questions difficult to answer as I had no information regarding cost, etc. Our house is on Captain Thomas Road and although using the old public works land for some things seems to make sense, I would like more information as to traffic (both foot and auto), etc before I would feel comfortable with that. This road is already used as a short cut increasing traffic in the summer.	2/2/2017 11:39 AM
174	Second home owners opportunity to rent their properties as vacation rentals is vital to the income of the community.	2/2/2017 11:22 AM
175	Renting your home is a good way to pay for your retirement home. Stop trying to restrict!	2/2/2017 10:31 AM
176	While I recognize that some people call OGT home and live/work in the community, the town is by and large a quintessential quaint seasonal tourist town ... that is the essence of it's charm, and what attracts people to come to OGT. The #1 priority of the Steering Committee ought to be to preserve the town's character ... access to and cleanliness of its beaches, improving/regulating traffic and parking, restricting/regulating retail, and maintaining a family-oriented environment/culture ... everything else is secondary.	2/2/2017 9:57 AM
177	Over spending of taxpayer money for dog services which serve only a specific few. Convert school property to income producing property as private day care, offices or demolish for parking.	2/1/2017 11:15 PM
178	I would like to see the sidewalk along Berwick Rd extended the full length up to the 95 bridge. Summer traffic coming into the center of town and from the beach road is too chaotic and is a serious accident about to happen. This needs to be managed, by a trained officer(s) or with electronics. parking needs to be expanded for summer visitors, and should include electric shuttle buses to and from the beach.	2/1/2017 10:55 PM
179	We love the town and would like to see it retain it's character and family friendly charm.	2/1/2017 9:28 PM
180	Sorry but you never mention the gay population...currently there is less and less at night that is run by gay owners and now there is only Maine Street....OGT is losing lots of tourism here as the Boston gay population will drive in for the beach during the day and leave....They need to stay on and use the restaurants and socialize at night....It would be a sad day if the gay portion of the tourism descends to a minimal to nil population due to lack of supporting businesses.	2/1/2017 8:56 PM
181	Have non resident property owners the ability to vote on capital improvements. Also tax business property correctly. Parking lot owners properties are way under assessed. ie. lots at perkins cove and on beach street	2/1/2017 8:28 PM
182	Preserve the charm of the town. Make the downtown more aesthetically appealing like they have done in Kennebunk (plants, flowers). Keep the beaches clean and attractive as they are the "Maine attraction" of the town. Help the local fishermen and artists as they are the soul of the town.	2/1/2017 8:15 PM
183	don't be afraid to be proactive in trying to develop and keep a more year around town also, don;t be afraid to limit the mass of houses when people are building new	2/1/2017 8:07 PM
184	Please relax the zoning laws for Bed and Breakfasts in the area east of Shore Rd. (Stearns, Cherry, Rocky Ln., etc.)	2/1/2017 7:02 PM
185	I live off ocean street and it is impossible to go anywhere in the summer because it is so difficult to get onto route 1.	2/1/2017 4:55 PM
186	The repeated questions re activities in the town is unnecessary. Do you realize that we have an incredibly active and popular senior center up the street; that we have the performing arts that works hard to attract audiences, that this is an amazingly social town where residents are active with their plans, their lives and each other. The town is a mostly retirement community and to try to transform it into a youth oriented place is unwise and unaffordable. People seeking that environment should not move here. We have active library programs and an abundance of environmental programs at Laudholm Farm as well as special educational programs at the Wells/Ogunquit school and swimming and yoga exercise opportunities nearby. To continually try to invent activities that dwell solely in Ogunquit is a mistake.	2/1/2017 4:43 PM
187	I love Ogunquit and now spend almost half the year in the town. I am vey concerned that so few children and families are year round residents. It is not a healthy situation and has dire impact on sustainable community. Ogunquit needs to design plans and fund efforts that will better support families moving into the town. Housing and services that promote this goal should be part of a strategic town plan.	2/1/2017 4:21 PM
188	Consider changing traffic pattern through village center. Make Shore Road one-way into center from School Street. Increase size of sidewalks along this portion of Shore Road. Make School Street One-way (toward Shore Road) from Church Street. Make Church Street one-way going from School Street to Cottage Street. Improve intersection of Obeds Lane with Shore Road. Improve road signs to indicate only way head south on Rt 1 is via Obeds Lane.	2/1/2017 4:21 PM
189	The town should support the commercial business community.	2/1/2017 4:19 PM
190	businesses will need housing for employees as housing becomes too expensive. A plan needs to be put in place to control the rental of houses for profit (ie air bnb) and to support employee housing for j-1 and h2b workforce. They are the reason the town makes money and keeps tax rates low in the summer!	2/1/2017 4:02 PM
191	Ogunquit is a wonderful gift to us all .We need to have and enjoy a solid well thought out Comprehensive Plan.	2/1/2017 3:36 PM
192	Priority parking for residents at the beach, main beach and Foot ridge!	2/1/2017 3:30 PM

Town Of Ogunquit - Comprehensive Planning Survey - Final

193	what about a new Ogunquit exit from 95 for Ogunquit residents only? I know there is a dirt road there now, lets pave it and use it! The traffic has become unbearable on rt 1 in the summer. I do not know why the town did not add another lane instead of adding sidewalks.	2/1/2017 3:12 PM
194	It seems that "fear of loss" is driving some to invest in "fixing" marginal way and discuss "fixing" the beaches. The sand has always moved. We should not invest in adding sand that will just get washed away. The recent addition of rocks to Marginal Way near the little light house is particularly curious and seemed to ADD to the damage in the recent storm. It is very unclear why this was done and who paid for it.	2/1/2017 3:06 PM
195	To keep Ogunquit a "beautiful place by the sea" and to keep it affordable for those who make their home here	2/1/2017 2:45 PM
196	Ogunquit needs to find a way to reduce costs and give the property owners a break. My small residence in OGT costs as much as a three story house elsewhere. We need to separate from Wells Schools which have been gouging us for years on fees. What has been done to look at serious cost cutting?	2/1/2017 2:29 PM
197	Vision for town should be to maintain the charm of the community through construction regulations/limitations. Recent gas station re-build is a great example of construction that added to the charm. Town should also focus on beach erosion with an eye toward maintain, and not expanding access as the beach in its current erosion configuration puts the beach at maximum capacity. Focus on beach stableization. Additional expenditures for parking and beach access is only compounding the problem. Once stabilized then review parking and access issues.	2/1/2017 2:29 PM
198	Enhance the beauty of the town and beaches while managing the traffic and parking during peak season	2/1/2017 12:01 PM
199	The upkeep and preservation of the beach, dunes, river are my highest priority. Thank you for your efforts for this and in general for the town.	1/31/2017 10:49 PM
200	Please make sure that criminals get prosecuted for their crimes, even when they are employees of the town.	1/31/2017 8:36 PM
201	I truly hope that OVS can be repurposed as a Community Center, open year round, for the benefit of all who live here year round but without excluding young people, in particular, and young families who may be here on holiday.	1/31/2017 7:23 PM
202	Delete parking spaces for businesses on Route One. Deliveries made behind the stores as well as all parking. This would allow traffic to flow better. Beach re-nourishment is expensive and often doesn't work in Florida. Millions of dollars are used annually and one storm wipes it all away. Need to plan to deal with it...can't fight Mother Nature!	1/31/2017 4:30 PM
203	At this time, sand is being added to Ogunquit Beach. We do not need to waste taxpayer money on adding sand to a beach that is replenishing itself. Please note how the keep off the dunes signs and the posts for the rope fence are becoming buried in sand.	1/31/2017 2:13 PM
204	In a town where there is such a dense summer population, we need more land set aside for walking, dog walking, hiking, biking and in the winter, snow shoeing and cross country skiing.	1/31/2017 1:39 PM
205	I don't have much hope that this plan will prevent the town from becoming a millionaire paradise	1/31/2017 1:18 PM
206	Follow the Charter & enforce it! Governance that excludes public obfuscation of important issues & stonewalling while pushing through Select Board agenda.	1/31/2017 12:45 PM
207	Town Ordinances, especially zoning - need to be respected and serious penalties applied to discourage shortcuts. Town Officials need to consider the needs of the entire community, and follow the Charter, not just work behind closed doors to further the needs of a few powerful business interests. People who abuse their positions need to be strictly help accountable.	1/31/2017 11:18 AM
208	We should have better facilities for community events and activities replace Dunaway	1/31/2017 7:03 AM
209	OGT is only a 4 square mile Town. It can NOT provide all services to everyone! The real estate taxes paid by businesses are not proportional to residences - not even close. In fact, Vision uses difference appraisal criteria that truly benefits businesses. When the Town tried to increase the liquor license tax by \$100, we heard howls and crying. When Tom Fortier started as Manager, he earned around \$92,000 and now earns over \$130,000. Town employees are represented by four unions! While Town expenses have been checked, our salary overhead is far too much. Look at employees health, dental, actual days worked! Many people are asking for more Town services. For example, recreation. Enough already. Our Marginal Way, Beach and Cove should offer what ever is needed. So, stop trying to provide everything to everyone. If someone wants more, invite them to go to a big city. OGT is indeed a beautiful place by the sea...let us keep it that way.	1/30/2017 10:59 PM
210	Make OGT a place for year round living as one ages.	1/30/2017 8:49 PM
211	Regulate rentals	1/30/2017 8:34 PM

Town Of Ogunquit - Comprehensive Planning Survey - Final

212	Would like the Town Offices to have a beautiful space of which we can be proud. Would like the Police Department to get a state-of-art, spacious, functional space, of which we can be proud. Would like to see the Ogunquit Village School used for Municipal Offices or Police Department. Perhaps the sewer dept could move its offices there. I am totally opposed to converting the building for "multi generational center." We have the Dunaway and the Senior Citizen Center. We need so many other things - it would be a waste of money.	1/30/2017 4:06 PM
213	Excellent survey. Good luck to all of us.	1/30/2017 3:56 PM
214	Im not sure why affordable housing and childcare is even on the survey , this is a vacation resort town. Thats why we came here. If we wanted to own in a regular city we would have stayed put. We like the seasons filled with enthusiastic tourist and like to act like them too. Love the \$ all bring in and the specialness a beach vacation town has to offer. When its over its over. Cant afford a Rolls Royce then don't buy one. Cant afford to live here then go up the coast. It is a seasonal place we cannot afford to take on subsidies	1/30/2017 2:54 PM
215	As previously written above, it is imperative for the Town to create a mission statement. Otherwise I feel that any planning or implementation of funds is willy - nilly, with no core soul and no defining course for the future.	1/30/2017 2:10 PM
216	Would like the Town to be more resident friendly. Our property taxes are too high for what we get in return.	1/30/2017 12:47 PM
217	Need to improve communication with tax payers. Need more input. Need to control traffic.	1/30/2017 12:12 PM
218	More investment in access to Town documents, staff, updated Committee minutes on website; gatekeeper on website; civility and respectful behavior restored at public meetings so there is a sense of community that you can feel good about attending; investigation into construction contracts & potential prior embezzlement; more participation at state level (eg tax refunds) & town hall meetings with state & congressional reps	1/30/2017 12:07 PM
219	Be aware of all the air bnb accounts that are taking away weekly rentals from people like me that even though have a year round cottage, rent it during the summer weekly. Successfully for 10 years, last year, only three weeks, but was bombarded by requests for just weekends, one night or saturday and sunday nights. If this continues, I may have to sell	1/30/2017 11:04 AM
220	Thank you for your hard work.	1/30/2017 10:20 AM
221	None	1/30/2017 10:13 AM
222	N/a	1/30/2017 9:48 AM
223	The town needs to get back to basics, a small working public office, police, fire and public works. Businesses should bear the costs of utilizing the majority of these services. Public works needs to focus on proactive maintenance and proper care of their equipment and providing top quality service of plowing, mowing and sweeping streets. The last 10 years things have steadily declined in these areas, sad. The transfer station is amazing, keep up the good work. Public office is bloated, free town paid cars for numerous officials is ridiculous. Find a town manager that actually lives in the area and has a vested interest in the town, not just collecting a paycheck and benefiting him/herself.	1/29/2017 6:31 PM
224	The bathroom at the Foot Bridge Beach is in terrible condition. Also would like to see improvement on trash pick up at the beaches.	1/29/2017 5:48 PM
225	A strategy to promote Ogunquit to international visitors! We need to consider a sister city program perhaps with the target countries we plan to attract to visit Ogunquit-Canada, UK, Italy, France, China etc	1/29/2017 2:05 PM
226	You did a good job with this survey. Very comprehensive.	1/29/2017 1:40 PM
227	Keep Ogunquit the beautiful place by the sea, the reason we all moved here.	1/29/2017 12:58 PM
228	Having a transparent and fair government.	1/29/2017 12:00 PM
229	It would be great to adopt policies that are not divisive. Regarding weekly rentals, that has been part of Ogunquit for generations. It has not caused "problems". It doesn't make Ogunquit less of a "community".	1/29/2017 11:40 AM
230	PLEASE foster the growth of cultural activities in the community for all ages. OGT should once again become a destination for artists and those who appreciate the beauty of the sea. Make this a destination community where people want to visit and then stay.	1/29/2017 11:03 AM
231	None	1/29/2017 10:54 AM
232	Thank you for the time and energy that went into developing such a thoughtful set of questions.	1/28/2017 6:56 PM
233	Try to love the young people!	1/28/2017 6:48 PM
234	I love Ogunquit! I want the town to refrain from moving too fast into the 21st century. If it does, it will eventually lose its appeal to tourists and everyone. I was a resident of York for over 25 years until I moved to North Carolina, and I own a timeshare in Ogunquit. I keep promoting Ogunquit to my friends and have invited them to spend time with me there. Everyone loves it.	1/28/2017 6:42 PM
235	please set aside spaces in the main beach parking lot for residents only	1/28/2017 4:25 PM

Town Of Ogunquit - Comprehensive Planning Survey - Final

236	definitely town cemetery get a handle on tourism - not friendly in summer for residents sidewalk on shore road from cove to Ogun. museum encourage more businesses for residents - i.e. hardware store, grocery store DIScourage anymore hotel/motels	1/28/2017 2:47 PM
237	Need more comprehensive and better enforcement of beach, noise, dog and other nuisance ordinances. Need to prohibit and enforce fireworks within the town. The police department needs to understand that these are quality of life issues for residents and respond to these calls and take appropriate action. We should create a special experience for both residents and vacationers and will attract the permanent residents and vacationers that will set Ogt apart and keep it a beautiful place by the sea. Thank you for this survey	1/28/2017 2:35 PM
238	The Marginal way is the #1 natural asset in Ogunquit . The Town needs to step up its support of erosion control and maintenance of this property.	1/28/2017 1:43 PM
239	Job well done,,good questions,, Too many people fall in love with the town, move here and then try to change the very reason they loved it ??????	1/28/2017 1:24 PM
240	Long time timeshare owner--plan on continuing to enjoy my timeshare week plus come up in the off season to enjoy the beauty that is Ogunquit.	1/28/2017 1:18 PM
241	One of the reasons we love Ogunquit and decided to move here is the beach. Neither my husband or I are people who care to spend all day at the beach. I prefer, considering how close we are to this beautiful beach, to be able to spend an hour or two at the beach several days a week. Sadly, unless you get to the beach very early in the morning or late in the day, you can't get into the lot. Or if going to Main beach, the main lot is full and you have to go to Lower Lot. So, over the past few years, unless family is visiting from Massachusetts, I've hardly been able to get to the beach. It wouldn't be so bad if resident parking stickers were free or reasonably priced, but they are very expensive for the use we get from them. Mainly, we use our parking stickers evenings to use the parking lots to go to restaurants in town. It's just very frustrating to not be able to make use of our beautiful beach the way we would like to.	1/28/2017 11:48 AM
242	It would have been nice to include taxpayers that are not year-round residents on the committee to foster other views. Not doing so exaggerates consistency of opinion that is not representative of the greater community. It also fosters an "us versus them" view.	1/27/2017 9:36 PM
243	we are part time residents planning on being full time in the next few months. we would be happy to be a part of any committee regarding the future of ogunquit. [REDACTED]	1/27/2017 7:32 PM
244	Tourism is driving our taxes through the roof. Tourist use so much more of the Town services than year round residents, yet residents pay for those services.	1/27/2017 7:04 PM
245	I would like to see the Footbridge Beach bathroom replaced soon--it is terrible now. I would like to see tighter management overall, both personal and cost control. I would like to see efforts made to attract young families back to town.I would like to see the current management crisis brought to an end.	1/27/2017 6:42 PM
246	I did not choose any of the 3 options regarding Beach Erosion as there are other options that are not listed. There are some methods available to try to improve natural sand accumulation besides pumping sand or doing nothing. The rip rap along the parking lot was never installed properly and has been causing erosion along the parking lot. More bushes are needed.	1/27/2017 5:56 PM
247	sorry, I'm not informed enough after being a summer resident for about 15-16 years, this is my first time as a full time resident	1/27/2017 5:40 PM
248	I feel very privileged to live here, I don't need special parking privileges. I never have trouble parking in town to do my business. The businesses and visitors in town, help us keep our taxes low, and allow us to live in an amazing place. The residents...we are the culture, It's a tourist town... that is why we moved here. We need to understand that.	1/27/2017 5:18 PM
249	thank you for this opportunity	1/27/2017 4:35 PM
250	The people running the town need to be honest, not clicky, welcoming and more respect to all. Business owners should be helpful to one another as should the restaurants and lodging. Times have changed and so we too should try to accept the "new age". Ogunquit will never be the "old Ogunquit", but by raising the bar it could be a higher end resort. Too many hotels and restaurants are mediocre especially if you are from NYC or Boston. Too many pizza places, ridiculously priced, and not really nice seafood places. Fried fish is not fine dining. Good fish is definitely below par.	1/27/2017 3:43 PM
251	If the Town of Ogunquit promotes itself on "being Green" than we must prove ourselves as being so. thank you for sending out this survey !	1/27/2017 3:06 PM

Town Of Ogunquit - Comprehensive Planning Survey - Final

252	We need a free wifi service in town and stop subsidizing TWC. We have a fiber "head end" just south of the playhouse which we should tap into for residential and commercial internet access. We also should consider selling the transfer station to a group like waste management and lease back long term services for a fraction of what we are paying now for bonds, licensing and human resources. We should also look closely at how much commercial entities pay for resources through taxes vs residents. The tax rate for residents is going to be the biggest barrier to entry for seniors retiring here [REDACTED]	1/27/2017 1:10 PM
253	The Select Board and Planning Board members need to tone it down and respect their audiences and guests. ORA is very helpful.	1/27/2017 12:49 PM
254	The Sewer Treatment Plant is not owned by the Town of Ogunquit.	1/25/2017 3:53 PM
255	. The number one priority is to address the condition of the restrooms on both the Main Beach and Footbridge. Both are in terrible condition and should be maintained perpetually each day of operation during our busy tourists months. The parking lot on the main beach as well needs to be resurfaced. This was first brought up in 2003 and I think 14 years is enough. Shame on Ogunquit.	1/24/2017 8:33 AM
256	thank you for all the hard work you do, boards and committees should get visible thanks and support from the Select Board and the Town Manager's Office. Young people should be encouraged to become more involved, as we lose the older population the infrastructure of the town will become vulnerable. Do whatever has to be done to become very environmentally friendly and to encourage young people to step forward.	1/23/2017 9:29 AM
257	There were many questions regarding the Chamber. I think the Chamber should do its own research. There is already a lack of balance between business interest and what's in the best interest of residents. There are people on committees and boards speaking out against seniors. The local government is more interested in protecting and promoting business than listening and responding to non commercial issues.	1/20/2017 8:57 PM
258	Please maintain the beautiful character of the Town of Ogunquit that we all fell in love with when we moved here!	1/19/2017 6:38 PM
